**2 Corinthians 10**

Key verse: 2 Corinthians 10:1-5

- I. The humble learner dutifully uses his/her mind for Christ’s glory.

**All thoughts are to be captive and obedient to Christ (v. 5)**

**Application Question:**

What current situations or thoughts in your life right now need to be under the submission and obedience of Christ?

- II. The humble learner equips and builds people up.

**Build up, rather than pull down (v. 8)**

**Application Question:**

How do you intentionally build people around you up?

When is it right to show “tough love” by demanding that someone change?

How do they know you are acting in love?

- III. The humble learner seeks always to give glory to God

**Credit goes to the Lord (v. 17)**

**Application Question:**

How and why does your “prideful attitude” come up?

And what can be done about it?
