Welcome Gerhard Du Toit

Gerhard Du Toit is a Biblical scholar who has worked with Faith Missions in Canada and the United States in interdenominational and international ministry. Originally from South Africa, he was brought up in the Dutch Reformed church and trained as an evangelist. He has had extensive evangelistic experiences in South Africa. He has also engaged in convention and evangelistic ministry in the British Isles. He is a coveted speaker in church-based conferences and crusades. His intense preaching style greatly inspires and moves the hearts of those who hear him. He is powerful with an authoritative, Biblical message and has been the means of bringing blessing to many people. Gerhard has a deep burden to see a revival of praying men. Like Jeremiah, his heart burns for an elevated standard of godliness in our day. He has touched lives around the globe and trained thousands of pastors in prayer and spiritual revival.
