The Gospel of John - Life before and after Weddings and Funerals

Much of the Gospel of John takes place between a wedding with people Jesus (seemingly) doesn't know much about and a funeral of someone he loves dearly; Lazarus. In this in-depth study of the Gospel, come find out what happens before, during and after.

Bring your bible and a notebook. This 2 quarter class continues into the summer quarter.

Kingdom Calling: The Life of Joseph
(This class is being repeated)**

The life of Joseph (Genesis 37-50) was filled with twists and turns as he experienced jealousy from his brothers which led to years of suffering through exile to a foreign country, unjust accusation by Potiphar's wife, and a prison sentence. Yet God ultimately redeems this suffering by using Joseph to save Egypt from famine and save the future nation of Israel from extinction. Join us as we explore and discover how to live out our Kingdom calling by utilizing our God-given assets, vocational skills, opportunities and gifts, not for self-enrichment, but for the purposes of shalom, to advance God's justice and goodness to entire cities and nations.

Our journey as believers never ends and if we want to finish well, we need the community of others. Through the life of Elijah, we will learn about a prophet whose life had a good ending.
