### Working Together

09.15.24 Pastor Jonathan Steeper

*“We are God’s fellow workers”  
1Cor 3:9*

Like finding a truck stuck in a ditch, the apostle Paul jumps into the mud of community relationships to get us unstuck and back to work.

Are you stuck and can’t seem to move forward?

Do you have issues that keep you from serving the LORD?

Today God speaks to our childish behavior and puts us on track for fulfilling work with the LORD and each other.

Ohana Groups gather to share, pray, and live out God’s Word together.

#### 1. Work Stoppers

3:1-4

Worldly infants marked by preoccupation with self, jealousy and quarreling.

Identity found in following men rather than God.

#### 2 Work Starters: Get Your Hands Dirty

3:5-9

Work— needs to get done! Lives are at stake!

Together— with one purpose! We do it better together!

In God’s Field— with God—the best place to expect a harvest!

#### 3 Work Foundation: Building on Christ

3:10-23

Build on His Work, trust His strength to support.

Build for the best using our best.

Build a living temple by investing in His people.

Boast in our LORD!

*“All are yours, and you are of Christ, and Christ is of God.”*
