

Sermon Series: Becoming Like Jesus Alone with Jesus | **John 3:16-21**

Ohana Group Discussion Questions: Week of January 18th, 2026

OVERVIEW

John 3:16–21 reveals that God's love is a decisive action—sending His Son to bring life, not condemnation. The passage calls us to respond with genuine faith that steps out of darkness and into the light, allowing God's truth to shape how we live.

OHANA TIME!

 **Icebreaker:** If you had an entire day with no responsibilities, how would you spend it? **Or** If you could switch jobs with someone for one day (no consequences), what would you try?

 **Activity:** Start a Bible reading plan together!

PRAYER

Pray: "Lord, help us trust Your saving love, courageously step into Your light, and live lives that reflect the truth and grace we have received in Christ. Amen"

2. Darkness surrounds us and can often creep into our lives. What would "bringing darkness into the light" look like in a concrete step this week (conversation, prayer, repentance, accountability)?
3. Who is one person you can commit to praying for, that they would come to know and receive the saving grace and love of Jesus?
